111. Planning

Applications **for consideration** by ERYC (*with actions taken under delegated powers*)

26/00330/TCA - GOODMANHAM CONSERVATION AREA - Remove 1 no. Downey Birch tree (T1) due to limited leaf cover during the last calendar year, has previously been heavily crown lifted, and concerns that it may become a hazard to the highway and property; Crown reduce 1 no. Downey Birch tree (T2) by up to 3 metres (15%) to re-shape and balance and to retain

its appeal and viability at Mulberry Cottage Goodmanham Road

The Council would not object to the removal of tree T1 if it is in poor condition. Its loss would have some impact on the street scene and it would be better if a replacement was planted, though it is recognised that this cannot be conditioned. The Council has no objection to the Crown reduction of tree T2.

26/00410/PLF Church Farm Church Side - Change of use of land from agricultural to domestic (additional garden area for Plot 2)

Applications **approved** by ERYC
