

Goodmanham Social Committee and Goodmanham Parish Council Summer Newsletter

Goodmanham Social Committee Update.

A grant was successfully received from ERYC to help towards the cost of our D-Day evening event on 6th June. Following the reading of the Tribute, candles were lit by all. A true night of remembrance.

A reminder that the next village quiz will be on Thursday 25th July at the pub, 8pm start. Names to Patrick Wharam, details on the Goodmanham Social WhatsApp page. £10 per team of up to 5 people, £5 for a team of 2 people. The quiz is always on the last Thursday of every other month.

Picnic in the park won't be held this year as we were concerned about clashes with summer holidays. Going ahead we are looking at a regular slot in the calendar for this event, around Midsummers Day.

N.B. There is a great charity family dog show at the Elms on Sunday 28th July 11-4pm. All proceeds to go to Dyslexia Sparks. See the Goodmanham Social WhatsApp page for details and entry forms.

Goodmanham Parish Council Update.

Highways and parking remain an on going issue with ERYC. Councillor Leo Hammond is consulting with ERYC highways team on our behalf.

As a result of the white hatchings at the northern end of the village, the highway verge against the church wall is slowly recovering.

A grant application has been submitted to Sancton Windfarm Community Fund to help with the ongoing maintenance of the car park.

Now the water leak has been repaired close to Rose Villa we are hopeful for the pavement paths to be resurfaced. Also for the sides of Red Lane to be repaired. We have been told work will commence once highways have completed their works in Market Weighton.

The Parish Council is looking to arrange some Defibrillator Training providing there are adequate numbers. The training, run by the Community Heartbeat Trust, will last about 2 hours. If you are interested please contact the Clerk clerk.goodmanham@live.co.uk it is intended to hold the training session in the autumn at the Fiddle Drill.

Finally, there have been reports of antisocial behaviour on the road bridge and also at the northern end of the village. Parishioners are requested to phone 101 to get reports logged, thus enabling the police to monitor.

If you have any queries about Council activity or wish to help in any way, please contact any member of the Parish Council or the Clerk on clerk.goodmanhampc.@live.co.uk or by phone 07981 371937. Additionally all are welcome to attend the Parish Council meetings, details and dates can be found on the Parish Council's website.
